PESONSETO REQUIREMENT FOR RESTRICTION

PRELIMINARY AMENDMENT

Sir:

In response to a to a requirement for restriction, mailed 11/22/05 to which a reply was due 12/22/05 and for which a petition to extend the period for response by one month is included herewith, Applicant elects new claim 25 and original claims 22, 23, 24.

New claim 25 is for a system including an apparatus operated by a program. The apparatus is directed toward figs. 4 - 5B operated by the program of fig. 6. Original claims 22, 23, 24 are directed toward amended fig. 8.

New claim 21 is generic to all of the original withdrawn claims

Page 12 has been amended to illustrate adaptation of the system to internet more clearly.

Respectfully submitted;
